

Delaware Valley Chapter North American Versatile Hunting Dog Association New Member Information Packet

Introduction

The Delaware Valley Chapter of the North American Versatile Hunting Dog Association is located in Central New Jersey. The Chapter meets for regularly scheduled training sessions and NAVHDA sanctioned tests at the Colliers Mills, Assunpink & Greenwood Wildlife Management Areas which is located near Jackson, NJ (Great Adventure Amusement Park).

Meeting Site and Times

For all of the Training Clinics, the meeting site will be the front parking area at the entrance to the Wildlife Management Area (see [Directions](#)). The location of each clinic will be available from the website and will be announced sometime in February of each year.

Training clinics will begin promptly at 7:30 until after the Spring Test, then we start at 7:00 AM. Please arrive at the training grounds prior to start time so that you can pay for and collect your birds. For our tests, we will use the same meeting area. The tests will begin promptly at 7:00 AM. Again, it is strongly advised that you arrive at the meeting grounds one half hour before the start of the test. Please note, we may utilize any number of areas on the Colliers Mills tract. Given that this WMA is approximately 15,000 acres, it will be difficult for you to find us once we leave the meeting site. Please be on time.

Chapter Training Days

The Delaware Valley Chapter holds regular training clinics. These clinics are designed to help each chapter member train their dog. These clinics are not designed for someone else to train your dog. There will be experienced people there for you to request help and advice from. These people are not there to train your dog for you. Please come prepared to work and to help out as needed. The procedure to use to attend one of the Delaware Valley clinics is as follows:

If you want to attend a clinic you are required to fill out the online form at: <http://www.delvalnavhda.com/form.html>, or email Dawn Quinn at training.delval@gmail.com midnight THE MONDAY BEFORE THE CLINIC. **No bird orders will be accepted after this time.** Training birds must be ordered at this time. We will do our best to fill your order, but there are no guarantees. If you are not ordering birds, Dawn still needs to know you are coming!

Delaware Valley Training Clinic Rules

1. All participants must email/submit online bird order form to designated contact person by midnight on the Monday before the clinic date. All bird orders are to be placed by this time. Our best effort will be made to fill your order. Failure to email the designated person by midnight on the Monday before the clinic date means that you are not eligible to participate in the clinic. **NO EXCEPTIONS!**

2. Individuals who are not doing bird work or individuals that are bringing their own birds must email the designated contact person by midnight on the Monday before the clinic date. Failure to email the designated person by midnight on the Monday before the clinic date means that you are not eligible to participate in the clinic. **NO EXCEPTIONS!**
3. All guests and visitors, who will be working a dog, must email by midnight on the Monday before the clinic date. Failure to email the designated person by midnight on the Monday before the clinic date means that you are not eligible to participate in the clinic. **NO EXCEPTIONS!**
4. The chapter reserves the right to limit or modify bird orders. The chapter will not accept orders for more birds than can be used at a single training session.
5. You will be charged a \$5 fee per dog (limit 2 dogs) for each clinic you attend. Birds will be available at cost. Please note, the clinic and handling fees go to the chapter to help defer other costs associated with the club.
6. All bird orders and clinic fees must be paid in full before the start of the clinic. No checks will be accepted. **NO EXCEPTIONS!**
7. If you are not able to attend the clinic, you will still be responsible for the cost of the birds. The chapter will make no effort to hold your birds until the next clinic.
8. You should bring a carrier for any field birds that you may have ordered. Birds will be divided up at the start of the clinic.
9. Pigeons may not be shot at Del-Val training clinics.
10. All dead game must be removed from the grounds at the end of the day.
11. All trash and debris must be removed from the grounds at the end of the clinic.
12. No Alcoholic Beverages are permitted on the training grounds.
13. Guests and visitors will be allowed one free clinic. After this complimentary clinic, the guest or visitor must join both the Del-Val Chapter and NAVHDA International. **No Exceptions!**
14. Hunter orange hats or clothing must be worn by all participants and spectators at the clinics.
15. Keep in mind that we do share these grounds with others (hikers, fishermen, bird watchers, etc.). Be aware of their presence and respect their rights to access the property. Safety First!
16. Shooting at a Del-Val clinic is an honor reserved for chapter members in good standing who: (a) posses a current valid NJ Firearms Hunting License (b) have demonstrated safe gun handling skills at a prior Del-Val event (c) have been active in the NAVHDA system and have an understanding of dog training that will allow them to know when a bird needs to be shot.

17. Under no circumstances may a guest or visitor shoot at a Del-Val event.
18. If you are not eligible to shoot at a training clinic, bring a box of 12 & 20 gauge field loads #8 shot. Someone will shoot for you, and you can supply the shells.
19. Del-Val clinics are not an extension of your hunting season. No extended field or duck searches are permitted. Keep your field and water sessions short and productive. Individuals training for the Invitational are exempt from this rule.
20. All chapter members will be limited to two dogs per clinic. All guests and visitors will be limited to one dog.
